Story

Every day,

a new story begins...

 MICHIGAN
EYE-BANK
DEDICATED TO THE RESTORATION OF SIGHT

*Of a journey out of
darkness and into light.*

So far this year, 1,576 people have new stories
to tell because of their sight-restoring
transplants. Stories filled with life and sight.

These stories are made possible by generous
donors and their families, contributors like
you, and the dedicated staff of the
Michigan Eye-Bank.

Help us start a new chapter for even more
recipients in 2015 by making a charitable
contribution in support of our mission.

We want to hear your unique story of how your life has
been changed by the Michigan Eye-Bank. Please share
your story with us on the lines provided, and send the
folded storybook back to the Eye-Bank along with your
contribution in the enclosed remittance envelope.

These will be displayed in the Michigan Eye-Bank,
and shared through online social media.
